

# COMPLETE WOMEN'S CARE

*A Division of Mid-Atlantic Women's Care, P.L.C.*

Board Certified Obstetricians and Gynecologists

*Complete Women's Care* has returned to its normal visitation policy for office visits. Our Ultrasound policy allows two visitors to accompany the patient, this does include children. Masks must be worn during your entire visit; including children over the age of 2 years. If you are experiencing a fever of 100.4 or greater, cough or flu like symptoms, **DO NOT COME TO THE OFFICE FOR YOUR APPOINTMENT!** Please call our office at 757-481-7222.

For the most up-to-date information regarding the Coronavirus / COVID-19 information we suggest:
